### PLEASE NOTE:

This checklist must be completed by the applicant or owner and attached to the Planning Application.

**If your application does not satisfy the required documentation, the application will not be accepted.**

Please  the items you have submitted.

All items may be submitted electronically online, email or on a media storage device (e.g. CD, DVD, USB flash drive) in PDF format, with plans and documents separated. If using a storage device the address of the site and the submission date must be clear.

1. "Application for Planning Permit" form or "Application to Amend a Planning Permit" form (if not lodged online)
2. Full payment of appropriate application fee.
3. A Metropolitan Planning Levy Certificate if the project has an estimated cost of development in excess of the threshold stipulated by the State Revenue Office Victoria
4. A current and full copy of title (including title plan) and details of any Restrictive Covenants/Section 173 Agreements or other restrictions on the title. This title must have been searched within the last three months.   
Note: If not submitting online or using the City of Whitehorse Application form a "Declaration for Restrictive Covenants" form completed & signed is required.
5. A feature survey to Australian Height Datum (AHD) of the site (existing boundaries, fencing, buildings, levels, easements, vegetation and any other relevant features) and immediate surrounds (including adjoining properties, footpath and nature strip details). This only applicable to development applications.   
Levels to Reference Level (RL) is considered acceptable for development of two or less residential dwellings, given that land is not subject to any flooding overlay and is not included within Council's Flood Prone Area.
6. A written assessment outlining how the proposal satisfies the requirements of Clause 55, including the relevant housing policies of the State Planning Policy Framework (Clauses 12, 14 & 16) and the Local Planning Policy Framework (including Clauses 21.03, 21.05, 21.06, 22.03 and 22.04).
7. A written assessment outlining how the proposal satisfies the requirements of the relevant character area of the Whitehorse Neighbourhood Character Study or Blackburn Lake Surrounds Study.
8. A neighbourhood and site description and design response (including a streetscape plan), in accordance with the requirements of Clause 55 of the Whitehorse Planning Scheme.
9. Professionally drafted plans (Eg. existing and proposed site layout, coloured elevations, floor plans, shadow diagrams, landscape concept, generally at 1:100 scale)
10. Professionally written assessment by an appropriately qualified Arborist. This report should include/discuss: 
  - Basic information about the trees including the species, health, structure, safe useful life expectancy.
  - The impact of the proposal on the health and integrity of protected trees.
  - Recommendations to minimise adverse impacts on protected trees during demolition and construction.
  - A site map that identifies each tree numbered in the report.

OR

A construction impact assessment undertaken by a qualified Arborist in accordance with Australian Standard 4970-2009, if the proposal may result in impact or damage to existing vegetation on or immediately adjoining the subject site.

The quality and content of the information submitted will not be assessed at the time the application is lodged. This checklist ensures all documents are submitted so that Council can commence the assessment of the application. Further information may be required to be submitted to Council.

A copy of the "Application for Planning Permit" or "Application to Amend a Planning Permit" form, and fee schedule are available on Council's website.
