

WHITEHORSE
CITY COUNCIL

There are a number of free or low cost waste and recycling services to assist you in disposing your waste correctly.

Reusable Household Goods & Clothing

- Donate to a friend, charity, op shop or toy library.
- Sell items online or via a garage sale.
- Use Council's Reusable Items Collections.

Customer Service Recycling Stations

Recycle x-rays, small electronic items, batteries and light globes.

Hard Waste Collection

Book a council or private collection for bulky household items - check with your building manager if you have a regular collection or book your own.

Recycling and Waste Centre

Recycling items such as cardboard and electronic waste can be recycled for free. Waste items such as garbage, tyres and polystyrene will incur a small fee.

For more information visit whitehorse.vic.gov.au/rubbish-recycling or talk to your building manager
