

# No dumping of hard rubbish!

Items placed on the naturestrip without a booking is considered illegal dumping and can result in a fine. If you have large items to get rid of, you can:

- ✔ Donate or sell good quality items
- ✔ Contact council to organise a hard rubbish collection  
Check with your building manager if you have a regular collection or book your own
- ✔ Organise removal through a private contractor
- ✔ Take items to a local drop-off location

For disposal options, visit:
