A number of proposed images (up to 10) to be used in your exhibition proposal (reproduced on a CD or clearly printed and labelled images) should accompany a one-page proposal. This should be augmented with current CVs of major Group Members or Teachers/Organisers (provide all contact details and the names and contact details of three referees) and a general application letter.

THINGS TO CONSIDER IN YOUR PROPOSAL

- Do you have a preferred exhibition month? (i.e. May 2018)
- Who is the target audience?
- In addition to Artspace help, how does the Group propose to promote the exhibition?
- Besides the Mayor of Whitehorse, is there someone else the Group would like to launch the exhibition?
- Is the artwork complete or being developed?
- Is the proposal dependent on any funding?
- How does the Group intend to display the artwork?
- How many items does the Group wish to include in the exhibition?
- What size does the Group anticipate most work will be?
- Is the exhibition proposal related to a theme associated with the Whitehorse Art Collection – for example Australian Impressionism or Suburbia?
- Is the proposal linked to a citywide event or milestone?
- Does the Group have any ideas for a public program, such as a Floortalk?

Note: If 3D works are to be displayed, what is the maximum weight of the heaviest work? All 2D works need to be ready to hang with wires at rear, or sturdy 'D' hooks affixed.
