IMPORTANT NOTES

- The information provided in response to this application is determined from design plans and is provided as a guide only. The exact location of Council assets cannot be guaranteed, therefore on-site proving is required by hand excavation.
- Consent to Work in the Road Reserve / Easement is required and a minimum security deposit of \$1,000 will apply for works undertaken in the road reserve and/or easement for any connection to a Council drain.
Failure to do so may incur a fine of 20 penalty units (\$2,000) under the City of Whitehorse Community Local Law No. 1 - 2006.
- For land subdivisions where certain works become the responsibility of Council (such as roads, drainage, foot-paths), the developer must submit a cost estimate of the works to Council and fees for plan checking/approval and supervision of civil works will apply.
- For all other developments, civil/drainage plans must be submitted to Council for checking and approval.
