Teacher Instructions

Administering the task

This task set is a partial assessment. The learner must succeed with at least 20 words in total to achieve the learning outcome. This will necessitate testing words in groups of 5 across at least 4 different topics.

- Give the learner a copy of the task materials.
 - Explain what the learner has to do:
 - Match the words to the coloured cards and draw a line connecting them.
 - Ask the learner to read the words out loud.
-

Marking and feedback to learners

As it is critical to keep all documents in the task set secure for future assessment purposes, if you wish to give learners feedback about the task, please DO NOT allow them to keep the cards or the response sheet.
