

L2P LEARNER DRIVER MENTOR PROGRAM

VO **L** UNTEERS NEEDED!

Do you have a spare few hours to make an enormous difference to a young person's life?

VicRoads has developed a state-wide program called L2P to assist young people who face significant barriers in gaining the 120 hours of driving practice required to obtain their probationary licence.

Manningham City Council in partnership with Whitehorse City Council and VicRoads will be implementing this program in the Manningham and Whitehorse area to ensure that young learner drivers from the community have the opportunity to gain on-road experience through the provision of sponsored vehicles and volunteer drivers.

The L2P program is currently recruiting volunteers from the community to provide the supervised driving practice sessions for these young learner drivers. We are looking for volunteers who:

- Have an interest in working with young people from a range of diverse backgrounds
- Can take on a coaching/supervising role
- Are able to commit to at least one hour with their matched learner driver per week
- Have a full driving licence
- Have a safe driving history
- Have a satisfactory reference check.
