

VENDORS LIST

<p><u>A Vegan Smiles</u></p>	<p>A Vegan Smiles is a business based in Victoria Australia that aims to create and provide tasty foods that are animal free.</p> <p>A Vegan Smiles is a strong advocate for animal welfare and was founded on the desire to educate non-vegan's that foods can taste great, even better without animal products, coupled with the frustration of the limitation in purchasing vegan friendly or dairy free products when out with family and friends.</p>
<p><u>Babaji's Kitchen</u></p>	<p>'Babaji's Kitchen are Melbourne's Indian street food hawkers. Babaji's does Indian differently, paying homage to the street food hawkers of Mumbai's laneways and Indian Rail's platforms. We can be found cooking on the street around the Dandenong Ranges, at the bottom of the 1000 steps (Gully Market), at the Queen Victoria Night Market or catering at your next party!</p>
<p><u>Burum Biodynamics</u></p>	<p>Located in North West Victoria, farmers Stephen and Tania Walter are taking clean, green organic farming to a whole new level. They're enriching and nurturing the earth with the bio-dynamic farming approach; producing nutrient filled lentils, peas, barley, spelt and oats and fat lambs of premium quality. The Walters love knowing that their food has been produced from soil at its purest; without use of chemicals, right in</p>

	their own 'back yard'.
<u>Darnum Park Estate</u>	Darnum Park Estate is a small business enterprise with a big passion to produce a great product. Located in West Gippsland near Warragul, Darnum is a small village with a big heart, rolling hills, green grass and cow paddocks as far as the eye can see, and an olive grove – Darnum Park Estate. A lot of care has gone into producing a clean, fresh, healthy product so you can enjoy eating great food. We are proud to be Australian producers inspired by Italian tradition.
<u>Designer Foods</u>	Designer Foods offer premium food sauces across Australia. We are the foodies, inspired not only by discovery but also re-inventing the classics in fresh contemporary styles. Our sensational sauces are all personally hand made in small batches so a consistently premium product is always assured. All of our sauces are Gluten-Free and most are 99% fat free!
<u>Divine Ice Cream</u>	Divine Ice Cream sells at school fairs, markets, festivals and music events. We are a home based business in Melbourne selling Natural Ice Cream and Organic Icy Poles. We are very passionate about providing our customers the healthiest possible products. Divine Ice Cream is free from artificial colours and flavours and is Preservative Free. We also provide dairy free ice cream, all our ice cream is egg free and 95% of our flavours are gluten. Our Organic Icy Poles are made from 100% certified organic fruit juice with nothing added. We sell the Icy Poles at schools in the eastern suburbs. They are a big hit with the kids on a warm/hot day. As well as looking after the health of our customers, we are equally passionate about minimising the impact we have on our environment.
<u>Genies Café & Lady Paella</u>	Lady Paella has been trading for over 10 years in the Mt Dandenong Town of Kallista. Using products sourced from markets and local farms, they create Spanish style Paellas to suit every need. From the exquisite and popular Seafood Paella to the meat lovers paella as well as vegetarian option. All Paellas produced by Lady Paella are gluten free, dairy free, sugar free and soya free. Lady Paella cater in and around Melbourne at private functions, festivals local markets and school events.
<u>Green Pastures Movement</u>	Five multi-generation farming families, committed to 'green farming' have banded together to create a new eco-conscious milk brand called 'Green Pastures' which hit Coles supermarket shelves from October 21, 2013. The farmers have gone 'back to grass roots' and developed a unique, world-leading sustainable composting program which has resulted in outstanding results that are tipped to revolutionise the way the Australian Dairy Industry, if not the world, produces milk.
<u>Locheilan Farmhouse</u>	Locheilan Farmhouse cheese is made by following traditional philosophy and methods. Bruce collects the

<u>Cheese</u>	<p>milk straight from the cows early in the morning and carries it directly to the cheesery. It could not be fresher! By making cheese from our own milk, we know just how fresh and nutritious it is. We know you'll enjoy it, too. It's beautiful cheese from beautiful cows.</p>
<u>Mama Bakes Naturally</u>	<p>Allergy-friendly, hand-made treats. Nut free, gluten free, dairy free, egg free, refined sugar free.</p>
<u>Natural Health Chiropractic</u>	<p>At Natural Health Chiropractic we are spinal health and wellness experts. A visit to your local chiropractor can help you find relief, comfort, freedom, mobility and balance. A healthy spine and nervous system leads to a more happy and healthy life. We pride ourselves on teaching you how to live well, by focusing on how you eat, move and think. Through regular workshops we are able to share with you our passion for health and wellbeing, and teaching others how to live an amazing life.</p>
<u>Nunawading Community Garden</u>	<p>Nunawading Community Gardens are historically significant being the first community gardens established in Australia in 1977. Council land is available for residents to garden organically in a social atmosphere. We have a rich diversity of cultures creating a comprehensive range of vegetables, herbs and flowers. The Gardens are located at Jolimont Road, Forest Hill and Slater Reserve, Blackburn North.</p>
<u>OMG Cereals</u>	<p>In February 2014 OMG Cereals was born. Jenny's granola was already much loved by family and friends and she experimented with different ingredients and sought feedback from neighbours. The winning combination reflects Jenny's food philosophy, that food should be as natural and tasty as possible. That extends to her gluten-free (GF) products, which do not include preservatives or added sugar and prove that GF food can actually taste so delicious that all consumers want to eat it.</p>
Organic Sunrise	<p>Organic Sunrise offers delicious food & fresh juice at festivals and farmers markets throughout Victoria in their certified organic kitchen & food van. Growing most of their own produce and with a chef boasting 30+ years experience in the industry, Organic Sunrise's motto is to produce and sell good quality organic food and juice at affordable prices.</p>
<u>OzHarvest</u>	<p>OzHarvest is a non-denominational charity that rescues excess food which would otherwise be discarded. This excess food is distributed to charities supporting the vulnerable in Sydney, Adelaide, Brisbane, Melbourne, Gold Coast and Newcastle. OzHarvest believes that good food should not go to waste. In fact, by distributing it to those in need, they turn excess food into a resource and save thousands of kilograms of food from being dumped as landfill each year. On average, every kilogram of food that OzHarvest rescues</p>

	will avoid 2 kg of greenhouse (kg CO2-eq) emissions, and avoids the consumption of 143 litres of water.
<u>Pana Chocolate</u>	<p>Pana Chocolate is a raw, organic chocolate that is handmade in Melbourne, Australia. It contains only natural ingredients such as raw organic nuts, organic goji berries, organic coconut flakes and pure 100% essential oils.</p> <p>Pana Chocolate was crafted with the vision that the chocolate should be good for everyone. Enjoy what we have created!</p>
<u>Petite Four Chefs</u>	<p>Petit Four Chefs offers a unique take on the kids' party that's sure to keep everybody engaged and entertained. We teach kids to decorate cupcakes and biscuits, providing them with everything they need to indulge their imagination and get creative with their friends and parents. We also provide dress ups and play party games.</p>
<u>Raw Wine & Beer</u>	<p>Raw Wine and Beer is an independent organic wine and organic beer marketing and distribution company - Australia's first distributor dedicated to growing the organic wine and organic beer industry. Established in 2002, our product portfolio is the most extensive specialist, sustainable wine and organic wine range in the country. We are passionate about wine and particularly about organic wine that is good for you and good for the planet.</p>
<u>Splitters Creek Fruit co / Frou Frou Cordials</u>	<p>Frou-Frou are natural, Australian cordials made from Australian fruit, without preservatives, colouring or artificial flavours, and not-too-sweet. Using exotic and fresh fruit flavours, Frou-Frou is fruit made fabulous. It was developed in response to the glaring lack of interesting non-alcoholic drinks. With this in mind, Frou-Frou is designed to mix with soda water for a decidedly top shelf non-alcoholic alternative; at home, at catered events, cafes and restaurants. At the Sustainable Food and Wine Fair, Frou-Frou is offering refreshing spritzer drinks, as well as gorgeous bottles of cordial to take home and enjoy.</p>
<u>Teloepa Mountain Permaculture</u>	<p>Teloepa Mountain Permaculture offers a wide range of services. From a nursery, selling 600 varieties of fruit trees, to courses that explore permaculture, organic and biodynamic growing, heritage fruits, cheese making and cider brewing. Teloepa Mountain Permaculture don't just sell and grow food, they show you what to do with the bounty as well in their fun classes.</p>
<u>The Buzz Mobile Café</u>	<p>The Buzz Mobile Cafe was the brainchild of John Garfi; created so you can experience quality coffee and home-made food at your office, public outdoor event or private function. The Buzz is so unique because it's an independent, family owned and managed business; with all food prepared on the day with high quality,</p>

	fresh ingredients and real passion for great taste behind it.
<u>The Honey Thief Bakery</u>	The Honey Thief is a wholesome, family run bakery offering sourdough bread and pastries, lovingly made in house by our dedicated team. Our traditional bread is made of certified organic stone-ground flour, filtered water and salt – that's it. Christian, our head baker, is on a never-ending quest to create the perfect loaf of bread. He has adopted traditional bread-making methods that have been used for thousands of years.
<u>The Wine Depository</u>	The Wine Depository is a fine wine retailer that brings the experience to you. Browse through their website and you will find a stunning range of hand selected wines with extensive notes, pictures and maps for you to buy and enjoy. Hosting numerous events all over Melbourne TWD can kick start your wine knowledge or further your education with their fun and informative wine dinners and tastings.
Tom's Nut's	'Tom's Nuts is the collaboration between two best friends and their passion for healthy food and of course nuts. Tom's All Natural Peanut Butter is the first product for the company and is made from 100% natural dry roasted Australian peanuts. We can't wait to share our delicious spread with the good people of Melbourne and beyond'.
<u>Vegie Bunch</u>	Vegie Bunch is a small market garden business based in Pearcedale, 62km's south of Melbourne. We grow a wide range of vegetables and deliver to a local area of approximately 15km around Pearcedale. Our family are third generation growers and have been growing vegetables in the region for more than 50 years. We are proud of what we grow and think you will enjoy the quality and freshness of our produce. But don't just take our word for it, try it for yourself!
<u>Victorian Apiarists Association - Melbourne Section</u>	The Victorian Apiarists' Association (Melbourne Section) provides services, leadership and vision to its beekeeping members. This includes access floral resources, controlling disease and assisting the further development of the beekeeping industry. Bees are vital pollinators for fruit and vegetables and are a key component of sustainable food production.
<u>Vital Choice Free Range Fish</u>	Vital Choice Free Range Fish allows you to enjoy your daily dose of vital Omega 3s with confidence. Endorsed by respected Health Professionals, our fish grow as nature intended, free of antibiotics, pesticides, synthetic coloring agents, growth hormones and GMOs. Vital Choice seafood is packed from fresh not frozen fish preventing the fat from congealing, granting it supreme quality, superlative texture and

	<p>succulent flavor. Regular independent lab testing consistently confirms freedom from harmful levels of mercury and other contaminants while sustainable harvesting earns certification by Marine Stewardship Council and Alaska Seafood making it an ethical choice for the environment. Enjoy convenient on-line ordering or from discerning Health Food Stores. Savor the Essence of Purity by wisely choosing Safe Sustainable Wild Seafood from Vital Choice Free Range Fish.</p>
<p><u>Whitehorse City Council</u></p>	<p>The Sustainability Team at Whitehorse City Council are the brains behind the Sustainable Food and Wine Fair. As well as bringing the fair to you, the team will be present on the day to promote Council's sustainability events and programs.</p>
