

Make your own greenhouse

You will need:

- 2-3 tissues
- Scissors
- Sticky tape
- This glasshouse template
- 2-3 beans
- A snap lock bag
- Water

Instructions

1. Cut out the house shape and this centre rectangle to make a window in the card.
2. Colour in and write your name on your house.
3. Soak cotton wool or paper in water.
4. Place the wet cotton wool into a snap lock bag. Push it down to the bottom.
5. Place 1-3 beans into the bottom of the bag amongst the wet tissue.
6. Seal up the bag.
7. Tape the bag to the back of the card so that you can see it through the window.
8. Tape the house to a glass window to get light and warmth from the sun but not in direct sunlight.
