WHITEHORSE  
CITY COUNCIL

## Mayor's message

### Cr Kirsten Langford

I would like to sincerely thank everyone who joined us for our terrific Australia Day concert. Such a wonderful celebration of shared community spirit and national pride. It was an honour to welcome more than 100 new Australian citizens into our country on this special day in our first Citizenship Ceremony of 2026. These moments remind us of the diversity, strength and shared values that make Australia and our Whitehorse community so special.

I am also looking forward to joining the Chinese New Year celebrations in Box Hill. I cannot wait to welcome in the Year of the Horse, which is traditionally associated with energy and forward momentum. This vibrant celebration is always a highlight for our thriving Chinese community and for everyone who comes together to take part.

There are also many exciting community events coming up this month, including Council's new series of twilight markets. These markets will provide fantastic opportunities for local traders and small business owners, while bringing energy and connection to our neighbourhoods.

I encourage you to come along to the first of these new markets in Box Hill and Mitcham and enjoy everything they have to offer.

**Learn more on page 6.**

I am so proud to live in a community alongside every one of you who make Whitehorse one of the best places to call home.

## School is back!

Local students have returned to school for the 2026 year.

To help make the start of the school year safe for everyone, here are some road safety tips:

- **Slow down** in school zones. Remember the 40km/h speed limits during school speed zone time from 8am to 9.30am and 2.30pm to 4pm.
- **Stop and wait** for children to cross at flagged and traffic-light crossings.
- **Remind children to look both ways** and use school crossings every time.

*"I like to go to school with my brother, so I don't have to wait for Mum or Dad."*

Brothers, pictured, aged 6 and 8.

By working together, we can help keep all students safe on their way to school.

## Rates payments due

If you pay your Council rates in either a lump sum (1) or quarterly (4) instalments, payments are due on the following dates this month:

- **Lump sum full payment:**  
Sunday 15 February
- **Quarterly (3rd instalment):**  
Saturday 28 February

Other flexible payment options are also available through our Payble platform.

Visit [pay.whitehorse.vic.gov.au](https://pay.whitehorse.vic.gov.au) to learn more.

## Get involved and help shape Whitehorse

Whitehorse City Council is inviting community members of all ages and backgrounds to get involved and have a say on issues that matter. Whether you're passionate about reconciliation, access and inclusion, or want to share your ideas as a young person, there are meaningful opportunities to contribute your voice, lived experience and perspectives. Help inform Council decisions and support a more inclusive, connected and representative community.

### Reconciliation Advisory Committee

Join the Whitehorse Reconciliation Advisory Committee, which provides advice and recommendations on matters relating to Aboriginal and Torres Strait Islander peoples.

The members will work with Council staff and Elders from the Wurundjeri Woi-wurrung Cultural Heritage Aboriginal Corporation to further reconciliation initiatives.

Council will prioritise Aboriginal and Torres Strait Islander applicants, with community members or organisations interested in reconciliation also encouraged to apply.

### Disability Advisory Committee

The Whitehorse Disability Advisory Committee helps to shape Council decisions by sharing real-world insights into disability, access and inclusion across our community.

We encourage applications from people with a disability, people with lived experience of mental illness, and family members or carers. Community members and organisations that are passionate about improving accessibility and inclusion in Whitehorse are also welcome to apply.

This is a meaningful opportunity to use your experience, knowledge and voice to help create a more inclusive municipality for everyone.

**Applications close Friday 27 February.**

Visit [whitehorse.vic.gov.au/volunteers](https://whitehorse.vic.gov.au/volunteers) to find more information on the Reconciliation Advisory Committee and Disability Advisory Committee and to complete the Expression of Interest form.

## Illegal dumping is an offence and fines will apply if you are caught

Leaving rubbish on nature strips without a booked hard waste collection is illegal. It creates safety risks, attracts pests, and places an unnecessary cost on the community. Council is actively enforcing illegal dumping offences across Whitehorse. If you dump rubbish, you can be fined.

### What counts as illegal dumping?

- Leaving items on the street without a booked hard waste collection
- Putting out hard waste items too early
- Dumping items that are not accepted for hard waste, including: general household waste, building materials, paint, tyres, gas bottles, concrete and fence panels

### How to dispose of waste legally

- Book your **FREE** hard waste collection
- Book online at **[whitehorse.vic.gov.au/hard-waste](http://whitehorse.vic.gov.au/hard-waste)** or call **9780 6120**
- Place items neatly on the nature strip the weekend before collection and attach your orange "BOOKED" sticker
- Donate, sell or give away items in good condition
- Take excess or non-accepted items to the Whitehorse Recycling and Waste Centre in Vermont South (fees may apply)
- Repair items at the healthAbility Repair Café (second Saturday each month)

### Help us stop illegal dumping

The community plays an important role in keeping Whitehorse clean. Reports from residents help us investigate illegal dumping and take enforcement action. If you see dumped rubbish, please report it via Snap Send Solve.

Illegal dumping is not harmless and it is not ignored.

Do the right thing. Book it. Don't dump it.

For more information visit **[whitehorse.vic.gov.au/dumped-rubbish](http://whitehorse.vic.gov.au/dumped-rubbish)** or call **9262 6333**.

## Pet Registration Renewals are on the way

Keep an eye on your mailbox or inbox, because pet registration renewal notices will be arriving later this month for all registered dogs and cats in Whitehorse.

Registering your pet is an important part of being a responsible pet owner. If your contact details have changed, please get in touch with us.

## Business Mentoring

Did you know Whitehorse ratepayers can access small business mentoring support?

Our in-person mentoring clinics start on Thursday 19 February. Bookings are essential as places are limited.

We also offer mentoring vouchers valued at \$175 for practical one-on-one support to use at a convenient time for you. Both options are free of charge to ratepayers.

For entrepreneurs and innovators, tailored support is also available through our partner INNOVIC for a \$35 fee, which includes a Commercialisation Consultation Report to help progress business ideas.

## Shopfront Stories: Banh Me Please!

A family recipe passed down in Box Hill.

For the family behind Indochine, food has always been about more than what's on the plate. It is about heritage, connection and sharing culture. Family-owned since 1991, Indochine has become a much-loved part of Box Hill's food story, built on authentic Vietnamese flavours and a genuine love of community.

Led by Philippe and his family, the team proudly uses fresh, locally sourced ingredients, many picked up just around the corner at Box Hill Market. Every dish carries a sense of care, tradition and respect for where the food comes from.

In 2024, the family expanded its legacy with the opening of Banh Me Please! a little sister to Indochine that brings the same heart and authenticity with a fresh menu.

Beyond the kitchen, the family is equally passionate about supporting the next generation by employing local students, many of whom are from Vietnam, who are studying at Deakin University and sharing their culture through food.

It's a story of family, flavour and pride, passed down, shared widely and enjoyed together.

## Community Grants Program

Whitehorse Council's Community Grants Program is changing in 2026, and things are being done a little differently.

Local community groups and organisations are encouraged to learn more about our updated Community Grants and Discounts Program, including changes to eligibility and new application requirements.

Whitehorse Community Grants support a wide range of local programs and initiatives that strengthen community connections and improve health and wellbeing across Whitehorse.

To help applicants navigate the changes, Council will be offering information sessions and grant writing workshops. These sessions will explain the updated program and provide practical guidance for applying.

To learn more about the Community Grants Program or to book into an information session, visit:  
[whitehorse.vic.gov.au/grants-community](https://whitehorse.vic.gov.au/grants-community)

## Positive Ageing Forum

Calling all community group leaders!

Join us at the Positive Ageing Forum for a morning of connection, learning and inspiration. Hear from the Positive Ageing team and other local club leaders, learn about the Whitehorse Community Grants Program, engage with guest speakers, network with fellow attendees, explore Council and community stalls, and enjoy a relaxed morning tea.

This event is highly recommended for anyone leading or supporting community groups in Whitehorse.

Stay after the forum to socialise with complimentary bowls for all attendees who would like to join.

**When:** Tuesday 17 March, 10am to 12.30pm

**Where:** Vermont South Club, Vermont South

**Bookings:** Required, [trybooking.com/DIFQR](https://trybooking.com/DIFQR) book before Thursday 12 March.

## Cootamundra Ward Cr Kieran Simpson Deputy Mayor

I hope everyone had a great summer. I'm honoured to be elected Deputy Mayor and excited for what Council will achieve this year. We are aware some builders are not following permitted working hours, impacting residents. Please report any construction outside allowed hours via Snap Send Solve.

In late November 2025, Council endorsed our submission to have all the permanent Significant Landscape Overlays excluded from the state government's Activity Centre catchment areas, reflecting the community's desire to protect our tree canopy. If I can assist in any way, please contact me.

## Lake Ward Cr Hayley Weller

I hope your 2026 is off to a fabulous start.

Many residents have asked about 2–24 Silver Grove, Nunawading, and progressing planning for its future development is a key priority for Lake Ward this year. The 2.4-hectare site sits within the Nunawading Activity Centre and has strong potential to become a mixed use precinct with options considering new housing, retail and commercial spaces, community facilities, and quality open space.

The Victorian Government will release draft maps as part of its Activity Centres Program Phase 2 consultation in early 2026, and I encourage you to get involved and share your feedback.

## Mahoneys Ward Cr Jason Martin

As I write this column Australia Day is approaching and I hope everyone enjoys this day which celebrates our nation and its values.

Whitehorse hosts many Citizenship Ceremonies, and I really enjoy seeing the happiness of individuals and families who join the Australian family.

Looking forward, the biggest issue facing Melbourne and Whitehorse is population growth and how we manage this as a community. All stakeholders need to work together as we navigate this growth.

Should residents have any issues please contact council, your local Councillor, State or Federal Representative depending on the issue. Have a safe and happy 2026.

## Simpson Ward Cr Prue Cutts

Happy New Year to all!

The Vermont Reserve Redevelopment, including female-friendly changerooms, is progressing well. Works are underway on Purches Street, including kerb and channel, improved pram crossings and stormwater pit replacements between Denis Street, Vermont and Kulnine Avenue, Mitcham. This is in preparation for road re-sheeting in April. The VicRoads Mitcham Testing and Inspection Centre driveway has re-opened. Should you have any safety concerns please contact me.

We congratulate George from the Parks team for 40 years of service, including 30 years mowing in the Heatherdale area!

## Sparks Ward Cr Peter Allan

I hope everyone had a restful Christmas and New Year period and enjoyed the Australia Day festivities. I look forward to serving Sparks Ward in 2026.

I was pleased to move a motion for Council to consider establishing a Chinese Community and Cultural Centre in Box Hill. The motion was adopted, for which I and the wider Chinese community are very grateful. Reports on location, funding, management and operation will be presented this year. The Centre is proposed to be open to all residents.

I encourage all to attend to see what's on offer as Box Hill Mall hosts 3 Twilight Markets (5–9pm) on 14 February, 14 March and 11 April.

## Terrara Ward Cr Jarrod Gunn

Happy new year all, and for those preparing for Lunar New Year best wishes also! It's the Year of the Horse in 2026 – I like the sound of that!

By way of representation, I plan to recommence door-to-door conversations throughout 2026. Door knocking was an activity I engaged in heavily prior to the 2024 election. Meeting face to face with you all was so instructive to my contributions to our Council plan, I want to maintain that connection. I also value the accountability of ensuring that I am representing you authentically. If you hear me tapping, please open up and say "Hi!".

Best wishes for 2026!
