CARRIED UNANIMOUSLY

BACKGROUND

Item 1.11 of the Schedule of Powers contained within the Chief Executive Officer's Instrument of Delegation adopted by Council on 18 May 2015 states the following:

"The delegate must not determine the issue, take the action or do the act or thing if the issue, action, act or thing is an issue, action, act or thing which involves:

- The return of the general valuation and any supplementary valuations."*

This report relates to supplementary valuations undertaken by Council in accordance with the *Valuation of Land Act 1960* for the period from 01 July 2016 to 30 September 2016.

DISCUSSION

Supplementary valuations are conducted regularly throughout the financial year to maintain the equity and accuracy of Council's rating valuation base.

Supplementary valuations are primarily due to construction, subdivision and/or planning activities.

The supplementary valuations undertaken are summarized in Table #1 below.

The supplementary valuations completed during July have been certified by the Valuer-General's office (VGV) as being suitable for use by Council. The supplementary valuations completed during September have been submitted to the Valuer-General's office, and are awaiting certification. Councils may use supplementary valuations prior to VGV certification.

FINANCIAL IMPLICATIONS

This change in CIV has generated an additional \$592,747 of supplementary rate income.

The Valuations have been undertaken in accordance with the legislative requirements of the Valuation of Land Act 1960.

9.1.3 Adoption of Instrument of Appointment and Authorisation under the Planning and Environment Act 1987

SUMMARY

The purpose of this report is to recommend approval of an Instrument of Appointment and Authorisation under the Planning and Environment Act 1987, from the Council to positions in the organisation.

COUNCIL RESOLUTION

Moved by Cr Carr, Seconded by Cr Massoud

That Council approve the proposed appointment of authorised officers pursuant to the Planning and Environment Act 1987 as attached to this report.

CARRIED UNANIMOUSLY

BACKGROUND

The proposed Instrument of Appointment and Authorisation (pursuant to the *Planning and Environment Act 1987*) has been prepared following advice received from Council's solicitors Maddocks and is similar to that used by many Victorian municipalities.

The Instrument of Appointment and Authorisation allows Council officers to conduct their normal business in relation to enforcement of the *Planning and Environment Act 1987* and to act and commence proceedings in Council's name.

These appointments must be made by resolution of the Council; section 3(6) of the *Local Government Act 1989* defines 'resolution of the council' as including a power exercised under delegation (ie: by the Chief Executive Officer), however section 188 (2) (c) of the *Planning and Environment Act 1987* prohibits authorisations being made under delegation.

The Instrument of Appointment and Authorisation would come into force once the common seal is affixed to the Instrument.

CONSULTATION

Relevant staff including General Manager City Development and Manager Planning and Building were consulted during the preparation of the proposed Instrument of Appointment and Authorisation.

FINANCIAL IMPLICATIONS

There are no financial implications.

POLICY IMPLICATIONS

There are no policy implications.
