

# Support for your JourNEY

## Whitehorse City Council

Our website [whitehorse.vic.gov.au](https://whitehorse.vic.gov.au) will link you to information, events and services to support you on your climate journey. Learn about solar, energy, access to discounted compost bins, our FOGO service, Gardens for Wildlife, plants and more. Learn about our Climate Response Strategy 2023-2030. Subscribe to our Sustainability eNews to stay up to date, or follow us on Facebook.

## Residential Efficiency Scorecard

Make [homescorecard.gov.au](https://homescorecard.gov.au) one of your first stops on your journey to get the biggest outcome for your money. Book in for a home energy assessment for recommendations on what to do to reduce energy bills, go all-electric and make your home more comfortable.

## Solar Savers

We have partnered with Solar Savers, a local government initiative, to make installing solar, batteries, hot water heat pumps and split systems easier. Visit [solarsavers.org.au](https://solarsavers.org.au) for free advice and a no-obligation quote for your home, rental or business.

## Victorian Energy Compare

Are you paying too much on your energy bills? Visit the Victorian Government's independent price comparison website, [compare.energy.vic.gov.au](https://compare.energy.vic.gov.au) for current retail electricity, gas and solar feed-in tariffs offers.

## Sustainability Victoria

Go to [sustainability.vic.gov.au](https://sustainability.vic.gov.au) for ideas and tips to reduce emissions, including to improve the energy efficiency of your home and ways to reduce waste.

## Solar Victoria

Find out about the Victorian Government's loans and rebates for installing solar, batteries and hot water rebates program at [solar.vic.gov.au](https://solar.vic.gov.au)

## Victorian Energy Upgrades

Find discounts on installation of eligible energy efficient appliances via accredited Victorian Energy Upgrade (VEU) providers, such as home energy assessments, heating and cooling, and hot water systems at [energy.vic.gov.au](https://energy.vic.gov.au)

## Whitehorse Manningham Libraries

Join the Library at [wml.vic.gov.au](https://wml.vic.gov.au) to borrow books, energy efficiency tool kits and attend events to learn more about living sustainably.

## Connect with Council

# A Map for your Climate Journey

Whitehorse is feeling the impact of climate change. But good news for us – together we have the power to make a difference and also create a healthier and stronger community!

We've created this map to give you different ideas depending on where you are along your climate journey.
