NO DOG & OFF LEAD

Designated Dog Off-Lead Areas

There are 32 parks and reserves in the City of Whitehorse that have areas where you can exercise your dog off-lead. Dogs (except for greyhounds) can be exercised off-lead in the areas listed below.

When exercising a dog off-lead, the owner must:

- Have the dog under control to sufficiently prevent the dog from behaving in a manner that threatens or causes a nuisance to any person or animal
- Carry a leash, chain, cord or similar not exceeding 1.5 metres in length so that the dog can be brought under effective control if it is behaving in a manner that threatens or causes a nuisance to any person or animal
- Have the dog within 25 metres and have a clear unobstructed view of the dog at all times; and
- The dog immediately returns to its owner upon command.
