Accepted collection – guide only

Putting it out correctly

Neatly place accepted items on the approved location.

Only place items out the weekend prior to collection, no earlier.

Items should be no heavier than two people can lift and less than 1.5m in length (excluding some furniture items and items with smaller limits).

Illegal Dumping

Placing unaccepted items on the naturestrip and placing items out too early is considered as illegal dumping and a penalty up to \$10,000 may apply.

Scan the code or visit whitehorse.vic.gov.au/rubbish-recycling for more information on waste and recycling disposal options.
