

Get Connected across Whitehorse

This resource supports our local Whitehorse community to be digitally connected. On the map you can find where to access free WiFi or public Wifi (look for signs saying 'Free Wifi' or 'Public Wifi Hotspot').

We have also listed where you can get computer training and learn digital skills, as well as computers or devices to use for free or purchase at low cost.

Numbers on the map link to the reverse page that gives you more details about what is available.
