

WHITEHORSE CITY COUNCIL

Position description

Job title: Director Whitehorse Early Learning Services	
Classification: Band 6	Effective Date: April 2025
Reports to: Coordinator Whitehorse Early Learning Services	Tenure: Permanent

About us:

At Whitehorse City Council, community is at the heart of everything we do.

We aspire to be a healthy, vibrant, prosperous and sustainable community. We enable this through strong leadership and community partnerships.

We strive to stay ahead of evolving changes and needs of our community.

Our five key principles empower our employees to be innovative and to provide an excellent customer experience. We are a resilient organisation where everyone belongs.

We value:

Our shared values and behaviours are integral to how we go about our work, interact with each other and our community. It is expected that all employees 'live' these shared values. In living these values we also ensure that everyone has a voice and that everyone matters.

Collaboration	Respect	Excellence	Accountability	Trust
We work flexibly together to achieve outcomes and solve problems.	We actively listen, value diversity and care.	We adapt, respond, learn and grow.	We take responsibility and follow through on our promises.	We act with integrity and are empowered to make decisions.

City of Whitehorse is a culturally and linguistically diverse community. We are proud of the diversity of our workforce and recognise the strength this provides in meeting the needs of our community. We are committed to upholding a safe, inclusive and respectful workplace that values the contribution of all.

Whitehorse City Council is committed to being a child safe organisation. We recognise our responsibilities to keep children and young people safe from harm and have established policies, procedures and training to achieve these commitments.

Goal Statement

The position will provide leadership and manage a team of staff in the delivery of an inclusive and quality education and care service (Whitehorse Early Learning Services – (WELS)), to meet the needs of children and families in line with the National Quality Framework* (NQF) and council values and behaviours.

This role is responsible for the operational management of a Children's Services Centre. Working in partnership with children, families and wider community, this role will champion and lead pedagogical development and service delivery in line with Council policy, practice and requirements.

Key Responsibilities

Operational

- Lead the development and delivery of the service, in consultation with leadership, which is cultivated on contemporary programming, evidenced based practice, needs analysis and consultation to ensure the needs of children and families are met.
- Ensure that all policies and procedures required for the centre are promoted and followed, to enable the service to operate effectively and fully compliant with the NQF, council requirements and other relevant legislation and guidelines.
- Ensure the service is fully resourced at all times and compliant with the Education and Care Services National Regulations.
- Ensure optimal utilisation rate is met and maintained including proactively liaising with the Early Childhood Administration (ECS) team to monitor waiting lists and ensure positive relationships are fostered with potential families.
- Actively participate in and contribute to the annual budgeting process for the service.
- In collaboration with the Team Leader ECS and Coordinator WELS monitor monthly income and expenditure to identify and advise of any discrepancies and or exceptions.
- Prepare and present reports in relation to the service as directed.

People Management and Development

- Model behaviours in the delivery of programs that will facilitate cohesion and collaboration between WELS centres and the ECS administration and leadership teams.
- Manage individual performance to achieve program and service objectives and create a shared understanding amongst staff of a united approach to service delivery.

- Manage and support staff to undertake the annual performance and development appraisal process providing constructive feedback with the aim of improving operational practice and values driven behaviours.
- Support the recruitment and selection of staff to ensure the attraction of highly competent staff, capable of providing quality services and who are aligned with Council values.
- Manage the probation process for all new members of staff including the provision of the service induction process.
- Facilitate and or attend regular staff meetings to promote effective communication and teamwork on the day to day operations and programming for the service.
- Develop, foster and lead a culture that promotes a professional and respectful environment that aligns with Council values and behaviours, Early Childhood Services Professional Standards and the Early Childhood Australia 'Code of Ethics'.

Relationship Management

- Provide clear communication and direction to staff, students, families, children and other persons connected to the service.
- Actively develop positive relationships and support collaboration with families that enables them to contribute to the program and service overall.
- Develop and implement strategies that foster a culture of inclusion, collaboration and responsiveness with both the local community and external service partners.
- Promote an environment that is welcoming and inclusive of the diverse needs of all children and families and develop and implement effective and inclusive service strategies and practices that provide positive access.

Health, Safety and Wellbeing

- Ensure all children are adequately supervised at all times. Ensure every reasonable precaution is taken to protect children from harm and from any hazard likely to cause injury.
- Minimise risks to children through implementation of adequate health and hygiene practices.
- Ensure the food safety program is followed and regular checks and audits are conducted.

Continuous Improvement

- Lead and facilitate the implementation of National Quality Framework initiatives and activities including the development of the service Quality Improvement Plan.

- Demonstrate strong commitment to continuous improvement of family centred practice and evidence-based program development.
- Support the culture of performance improvement and reflection at the service.
- Expand professional knowledge and skills to enhance service provision and staff management.

* National Quality Framework includes National Law, National Regulations, National Quality Standards, the assessment and quality rating processes and national learning frameworks.

Corporate Responsibilities

- Ensure adherence to all Corporate Policies, Procedures and the Organisational Goals and Values Principles in the current Whitehorse City Council Collective Agreement by all staff under supervision.
- Ensure the organisation is aware of and compliant with relevant statutes and legislation.
- Identify and develop changes to policy and procedure in areas of responsibility.
- Ensure that risk management principles are adopted in all decision-making processes within the team.
- Undertake identification, reporting and resolution of risk management activities (including that staff are appropriately trained) and ensure that all relevant operating procedures provide for a safe working environment.
- Apply sound financial management techniques to team budget processes.
- Provide equitable and sound supervision of staff, (including ensuring appropriate training, development and motivation) to ensure that team KRA's are met and contribute to the strategic objectives of the team.
- Ensure appropriate care and use of assets and equipment.
- Support, enable and encourage strategies and actions identified in Council's Gender Equality Action Plan (GEAP) to improve workplace gender equality.
- Champion a safe environment for children and young people in accordance with Council's commitment to Child Safety.
