6.1 Whitehorse Municipal Youth Forum 2015

SUMMARY

The following report has been prepared by the Whitehorse Youth Representative Committee. The Whitehorse Youth Representative Committee (WYRC) plays an important role in representing the interests of young people in the municipality. The WYRC also has a responsibility to interact with Council and communicate on matters of interest and on matters where Council may be able to provide assistance to young people. The purpose of this report is to inform Council of the Whitehorse Youth Forum held in September 2015 which addressed key issues impacting on young people as identified in the Whitehorse Municipal Youth Plan 2014 – 2018.

RECOMMENDATION

That Council acknowledge the work of the Whitehorse Youth Representative Committee in organising and hosting a successful 2015 Municipal Youth Forum.

BACKGROUND

The Municipal Youth Plan 2014 – 2018 and the consultative process

The Whitehorse Municipal Youth Plan 2014-18 (MYP) was adopted by Council in August 2014 following an extensive consultation process with young people, key stakeholders and the rest of the community.

The consultation process included the engagement of almost 300 young people through a range of innovative and interactive strategies. A key objective of the consultation process was to evaluate how the government, Council, partner agencies and the community at large can best support the lives of young people into the future. The key issues and challenges for young people, identified during the development of the MYP include: mental wellbeing, resilience, relationships, bullying, healthy bodies and a range of lifestyle related issues.

Since the adoption of the MYP, the WYRC has facilitated a range of events and consultative processes aimed specifically at mental health, bullying and body image. These events included the 'The Mental Health and Wellbeing Forum' and the 'Jam out: Box Hill Central' event which were held in late 2014. These events provided information and support to young people and gave young people the opportunity to provide further feedback on future support initiatives.

WYRC Council presentation in November 2014

As a result of the MYP consultative process and the events outlined above, the WYRC recommended to Council in November 2014 that it fund an annual Whitehorse municipal youth forum for the purpose of presenting information and advice on the key issues identified in the MYP.

Council adopted the recommendation and approved a funding allocation of \$7,500 in the 2015/16 budget (and subsequent budgets) for the purpose of hosting an annual Whitehorse municipal youth forum.

YOUTH FORUM SEPTEMBER 2015

The 2015 Whitehorse Youth Representative Committee organised and facilitated the Municipal Youth Forum at the Box Hill Town Hall on Friday 4th September. Key points:

- Focus on the youth issues of mental health, body image and bullying as identified in the Youth Plan 2014 – 2018.
- Key Note address by Caitlin and JB from the youth specific organisation, 'Project Rockit' who outlined strategies to address bullying / cyber bullying.
- An Expo of youth service providers on the day consisting of the following organisations: Headspace Hawthorn, Eastern Access Community Health (EACH), Family Access Network, Youth Substance Abuse Service and the Whitehorse Youth Representative Committee. All organisations provided young people with information and resources on youth services and supports available to them.

- Facilitated interactive workshops addressed the issues of mental health (Headspace Hawthorn), body image (The Butterfly Foundation) and bullying (Project Rockit). These key issues which impact on the wellbeing of young people derive directly from the Youth Plan 2014 – 2018.
- Fun activities were organised to keep young people engaged including: pop up furniture, 'big' games and music entertainment by local young DJ Sierra Jane during lunchtime. Morning tea, lunch and refreshments were provided to young people.
- Use of instagram for the first time by Youth Services as a means to engage and interact with young people. Potential use of this social media platform at future Youth Service events.

The benefits of facilitating the Youth Forum were as follows:

- Council viewed within the community as a leader and advocate for young people on issues impacting on them.
- Young people were able to access information and resources on issues impacting on their wellbeing on youth service organisations.
