

How do I Register for SmartyGrants?

The first step is to find council's smartygrants webpage. There are 2 x ways to do this

1) Type the following web address into your browser: <https://whitehorse.smartygrants.com.au/>

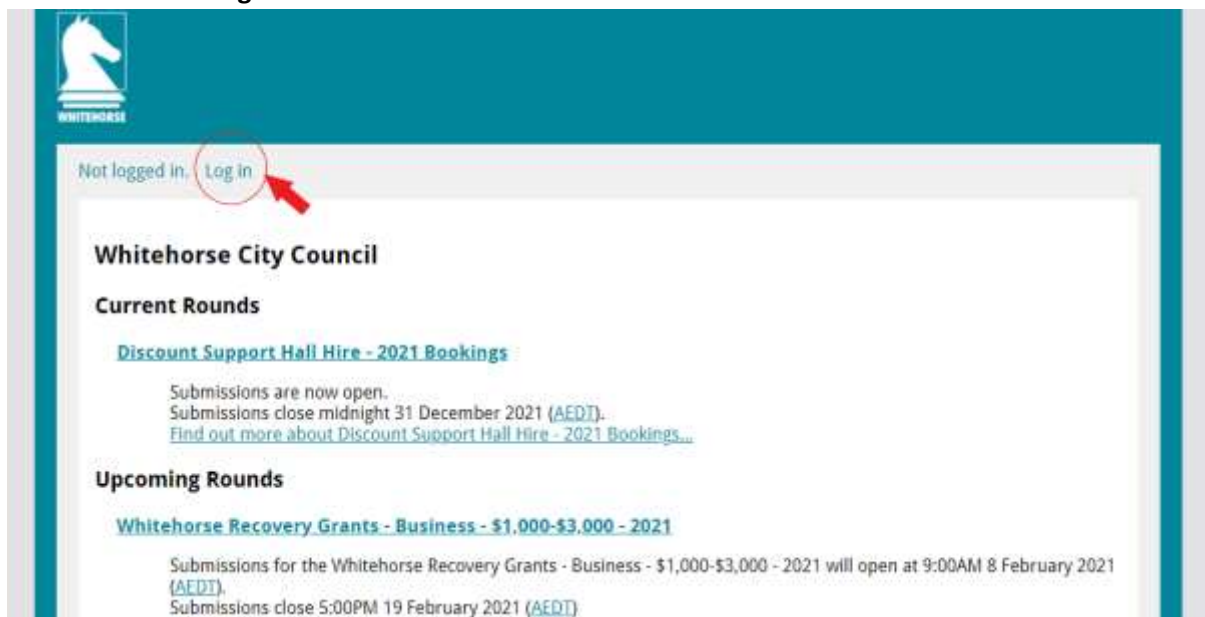

Or

2) Visit the Community Grants page on Council's website. To the right of the page you will see a button '**Apply for Grants**'. Click this button (see image)

Both options listed above will take you to a page that looks like the image below.

- Click on '**Log In**'

Once you are on the 'Log In' page, **click on the 'Register'** button to the right of screen, as shown in the image on the next page.

Follow the prompts on the Registration page.

**Remember:** The email address that you use to register will become your log in ID, along with the password you create in the registration process.

## Login or Register

You must register before you can make an online submission.

Registration gives you secure access to your forms allowing you to work on them over time rather than having to complete them all at once.

It only takes a moment to register and you can get started on your submission straight after registering.

Fields marked with \* must be completed.

### Login

If you're already registered or have started an online form log in here.
