## Council Meetings

Council meetings are open to the public and commence at 7.00pm in the Council Chamber, Whitehorse Civic Centre, 379 Whitehorse Road, Nunawading.

Council Meetings are recorded and can be viewed via Council's live stream platform, or viewed as an archived meeting after the event, with video recordings available within 48 hours of the meeting.

Agenda and minutes of meetings are available on [Council's website](#) and at the Whitehorse Civic Centre.

Archived agendas and minutes are available on Council's website, at the Whitehorse Civic Centre or the Public Records Office.

## Instruments of Delegation

Under the *Local Government Act 2020*, Council may be instrument of delegation delegate to the Chief Executive Officer or members of Council staff any power, duty or function of a Council under the Act, or any other Act, other than a number of powers, duties, functions, explicitly specified in the Act.

Instruments of Delegation represent the formal delegation of powers by Council under relevant legislation and enable the business of Council to be carried out efficiently and in line with Council approved policies.

If a Council delegates power, the exercise of that power by the delegate is deemed to be an action or decision by the Council itself.

View [current Instruments of Delegation](#) on Council's website.

## Council Committees

Whitehorse City Council currently has the following Council committees:

- CEO Employment Matters Committee
- Audit and Risk Committee
- Heritage Steering Committee

The information assists Council to understand the community's view on a whole range of subjects. These may include opportunities for feedback on specific local issues through to planning for the future needs of the municipality.

Council consults with the community through planning consultation forums, interviews, resident surveys, invitations for submissions, committees, public meetings, information nights, direct mail to residents, the provision of drafts and exhibits for public comment, onsite meetings and online surveys.

### ***Freedom of Information Act 1982 – Section 7(1)(a)(ii), Section 7(1)(a)(iii), Section 7(1)(a)(v) and Section 7(1)(a)(vi)***

#### **What is Freedom of Information?**

The Freedom of Information Act 1982 (FOI Act) provides members of the public:

- A right to information held by the Ministers, state government departments, agencies, statutory authorities and local government authorities;
- A legal right to apply for incorrect, out of date or misleading information about them to be amended or removed from their personal files.

#### **What Information is Available**

You have a right to apply for access to documents, held by Whitehorse City Council, which are covered by the FOI Act.

This includes documents created by Whitehorse City Council, and documents supplied to Whitehorse City Council by an external organisation or individual.

You can apply for access to documents about your personal affairs, regardless of the age of the documents, and other documents held by Whitehorse City Council, not older than 1 January 1989.

#### **Do I need to use Freedom of Information to Access Documents?**

Many documents are available outside the requirements of the Freedom of Information Act. In these instances, the request will be processed directly and not under FOI.

Information which you may obtain without an FOI application include information which is available publicly, such as on a public register, and information which is available for purchase.

Please note that if you require documents for a court hearing or litigation, speak to your legal advisor about other methods available to gain access in those circumstances.

#### **How do I make a request**

You can make a request, or you can authorise another person to make a request on your behalf. If you want someone to make a request on your behalf for your personal information, you must give that person your written authorisation.

Applications under FOI must be in writing. State very clearly the specific information that you are requesting and include the application fee, or evidence that you qualify to have the application fee waived or reduced.

## Freedom of Information Application Form

Valid applications, with the accompanying application fee of \$33.60 can be lodged in person at one of our service centres, electronically via [foi@whitehorse.vic.gov.au](mailto:foi@whitehorse.vic.gov.au) or by post to:

Freedom of Information and Privacy Specialist Officer  
Whitehorse City Council  
Locked Bag 2  
Nunawading Delivery Centre Vic 3131

Unless all requirements are met, there is no valid request to access. The 30 days within which a decision must be made on a request does not commence until a valid request is received.

A charge of \$25.20 per hour or part of an hour will apply to recover the cost of the time taken to find and identify the documents, and a cost of 20 cents per A4 page will be charged for printed copies.

If payment is deemed to cause financial hardship it may be waived or reduced. If applicants are seeking a fee waiver or reductions the request must be in writing with written evidence supporting their claim, as well as documentary evidence such as a photocopy of a social security concession card.

The Freedom of Information Officer will send applicants an acknowledgement letter and process the valid request within 30 days as stipulated in the Act. Where the Freedom of Information Officer decides to refuse, partially grant or defer access, the applicant will be notified in writing of the reason for refusal, partial access or deferral.

## What Information is Not Available

Not all information is automatically available in response to a request for it.

In some instances, the right of access to some documents may be refused or limited by specific exemptions of the *Freedom of Information Act*.

These exemptions are applied where it is deemed necessary for the protection of the public's interest, privacy or commercial reasons.

Exempt documents fall into the following categories:

- Internal working documents;
- Law enforcement documents;
- Documents containing material obtained in confidence;
- Documents relating to trade secrets;
- Documents relating to legal professional privilege;
- Documents affecting personal privacy;
- Council documents declared confidential subject to provisions of the Local Government Act 2020;
- Disclosure is contrary to public interest.

Your application may also be refused if it is considered 'voluminous in nature', in that "it would interfere unreasonably with the operations or performance of the Council".

## Right of Appeal

If an applicant is dissatisfied with the Freedom of Information Officer's decision to refuse access to a document, defer access to a document, not waive or reduce an application fee (whether the fee has already been paid by the applicant) or not amend a document (in accordance with Section 39) the applicant may appeal the decision to the Victorian Information Commissioner for review:

The survey is conducted by the Department of Jobs, Precincts and Regions on behalf of the City of Whitehorse where residents and ratepayers in the municipality over 18 years of age are selected at random.

Local Government Victoria's annual Community Satisfaction Survey compiles community feedback on councils in five key performance areas:

- council's overall performance
- community consultation and engagement
- advocacy – lobbying on behalf of the community
- customer service
- overall council direction

The information provided from these surveys provide data to inform the Local Government Performance Reporting Framework (LGPRF) as well as providing information to assist Council to plan for current and future residents.
