RECYCLING AND FOOD AND GARDEN ORGANICS COLLECTION

The 2023 Whitehorse City Council calendar features our kerbside recycling bin and food and garden organics bin collections. They are collected fortnightly on alternate weeks on the same day as your garbage. Garbage is collected weekly and all collections continue on public holidays. Council's food and garden organics service is optional. By using this bin, your food and garden organics is recycled into quality compost and mulch rather than ending up in landfill.

For more details or to order a bin, visit **www.whitehorse.vic.gov.au/food-recycling**

The Whitehorse municipality is divided into two areas for recycling and food and garden organics collections. If you are unsure about the area in which your house is located, visit Council's online mapping system at **map.whitehorse.vic.gov.au** to search for your home address or phone Council on 9262 6333.

ACKNOWLEDGEMENT OF COUNTRY

Whitehorse City Council acknowledges the Wurundjeri Woi-wurrung people of the Kulin Nation as the traditional owners of the land. We pay our respects to their Elders past, present and emerging.

Below: Boston Ivy, Joelle McKay

2023 Calendar – Diverse and Inclusive Community

The Whitehorse City Council is proud to present the 2023 Calendar. The theme for 2023 is Diverse and Inclusive Community, which comes from our Community Vision 2040.

The Vision is made up of seven key themes, the first of which is Diverse and Inclusive Community. This theme outlines Council's commitment to making decisions that value and support the rich diversity of cultures, languages, abilities and interests of people in Whitehorse.

Whitehorse is a connected and cohesive community made up of people of different ages, cultures, backgrounds and interests. Across our city, we live in different types of housing, we enjoy diverse landscapes and streetscapes and we have diverse businesses and workplaces. We enjoy a wide variety of interests.

Whitehorse City Council supports our community and local economy by providing spaces and places for people to come together and connect.
