Residents can book two hard waste collections per financial year.

If you live in a unit or apartment block of six or more dwellings, please get in touch with your property manager to organise your collection.

You must have a booking before placing your hard waste out. To arrange your hard waste collection, please follow the instructions below.

① Book your collection

Inform the contractor of the types of hard waste items for collection. Book by 3pm Wednesday to have your hard waste collected the following week, however at busy times bookings may take up to two weeks.

② Be on time

Bookings will be confirmed by SMS and/or email informing you of your collection day. Place hard waste items neatly on your nature strip by 6am on the Monday starting your collection week.

③ Present your materials correctly

Only place accepted items out for collection. Check the list opposite or visit our website for items not collected.

Materials should not exceed three cubic metres and each item should be easily lifted by two people.

④ Sticker

You may receive an information pack including an orange **'BOOKED'** sticker. Place the sticker on the pile so that it can be clearly seen from the road.
