Hard Waste Bookings

www.whitehorse.vic.gov.au/hard-waste-collection
9780 6120

Residents can book two hard waste collections per financial year.

If you live in a unit or apartment block of six or more dwellings, please get in touch with your property manager to organise your collection.

You must have a booking before presenting hard waste. To arrange your hard waste collection, please follow the instructions below.

1 Book your collection

www.whitehorse.vic.gov.au/hard-waste-collection
9780 6120

Inform the contractor of the types of items for collection. Book by 5pm Wednesday to have your hard waste collected the following week, busy times bookings may take up to two weeks.

2 Be on time

Bookings will be confirmed by email and/or sms informing you of your collection week. Place items neatly on your nature strip by 6am on the Monday starting your collection week.

3 Present your materials correctly

Only place accepted items out for collection. Check the list opposite or visit our website for items not collected.

Materials should not exceed three cubic metres and each item should be easily lifted by two people.

4 Sticker

Once your booking has been confirmed you will be mailed an information pack with an orange **'BOOKED'** sticker. Place the sticker on an item that is unlikely to be removed and can be clearly seen from the road.

5 Remove uncollected materials

Unaccepted items will not be collected. It is your responsibility to remove these materials. Any items left on the nature strip will be considered illegal dumping and may result in a fine.

YES 是

NO 否

Scrap metal, small car parts and lawn mowers, empty paint tins (lids removed)

Electronic appliances

Tyres and car batteries

Engine oil and engine blocks

Timber (No longer than 1.5 metres and no more than 10 pieces)

Branches and prunings (Tied and separated from other materials)

General garden waste (Other than branches/prunings), soil or earth

Household waste and recyclables

Hot water systems

White goods including washing machines, stoves and fridges with doors removed.

Building and renovation materials including rubble, cement sheeting or fences

Asbestos and other hazardous waste

Mattresses and bed bases (Maximum of two)

Furniture

Gas cylinders

Household chemicals, paint and pesticides

Carpet (rolled and tied, one roll no longer than 1.5m)

Glass and crockery (Securely wrapped and labelled 'glass' or 'crockery')

Most materials collected through the Hard Waste Collection Service will be recycled.

All material collected including compacted material is taken to a Transfer Station for sorting and recycling. Items may be collected by multiple vehicles.
